

THE ONTARIO CAMPUS

The 90-acre campus sits near the center of Ontario, Oregon, providing easy access for city residents. Major campus attractions include a residence hall, a career and technical education complex, a gymnasium/athletic complex, and state of the art science center and career and technical education buildings. The College is also located next to the Malheur County/Oregon State University Extension Service and the Eastern Oregon University Outreach Center.

Students at TVCC have easy access to shopping areas, movie theaters, restaurants, and a number of cultural and recreational facilities. Ontario maintains a small-town atmosphere while serving as a commercial, recreational, medical, and industrial center for Malheur County and the surrounding area. The city is located in the Treasure Valley, near the Snake River and little more than a mile from the Idaho border. Boise is 55 miles away and brings a cosmopolitan flavor to the valley. The area is well known for outdoor activities. Students have a plethora of driveable outdoor recreation opportunities nearby, including hiking, skiing/snowboarding, fishing, hunting, and paddle boarding, among many others.

The Heinz Ore-Ida Sports Complex, located at TVCC, is a top local venue for team sports such as baseball, softball, tennis, and soccer. Many regional school and community athletic events are held at the complex, as is TVCC's annual commencement ceremony.

The Four Rivers Cultural Center (FRCC) and museum opened its doors on the TVCC Campus in 1997. This first-class facility also houses the Student Services Center, the Testing Center, Accessibility and Accommodations offices, and the Performing Arts Center. The Performing Arts Center, with a seating capacity of more than 600, is a major part of the complex.

FRCC can host large conferences and community events. It is dedicated to enhancing the appreciation and respect for all cultures. The contributions of early settlers to the region are featured, including those from ethnic groups such as the Basques, Japanese Americans, Northern Paiutes, and Hispanics. The Horace and Roa Arment Indian Artifact Collection is maintained and displayed at FRCC. The display features a variety of arrowheads, stone tools, and other artifacts of Native American culture.

THE CALDWELL CENTER

The Caldwell Center is a satellite of TVCC and has provided a progressively diverse range of courses to southwest Idaho residents since 2003. Courses offered through the Caldwell Center include college preparation, college transfer, and professional-technical classes. Students at the Caldwell Center are typically enrolled in courses leading to a degree, with the majority of students planning to transfer to a four-year college or university in Idaho or Oregon.

The Caldwell Center offers a broad menu of student services which includes academic advising, placement testing, class registration, financial aid assistance, and career planning. In addition, students have free access to tutorial support as well as student activities. The relatively small size of the Caldwell Center allows students to experience a personal, supportive learning environment. Classes are scheduled throughout the day between 8 a.m. and 9 p.m. Classes are offered in traditional classrooms, through virtual (video) classrooms connected to classes on the Ontario campus, and over the web. Students may take classes at both the Caldwell Center and the Ontario campus.

TVCC's Caldwell Center is located on the banks of Indian Creek in downtown Caldwell, at 205 S. 6th Avenue, at the intersection of Blaine and 6th.

BURNS OUTREACH CENTER

The college provides outreach services throughout the region, with an outreach center located in Harney County at the Burns Outreach Center.

Outreach centers or sites provide services and classes in a variety of ways:

- Traditional classes are presented at specifically scheduled times and locations with an approved instructor.
- Non-traditional open entry/open exit classes or flexible schedules allow students to work at home or at a designated outreach center at their convenience.
- Distance Learning classes utilize computer or video technologies. A range of courses are offered in a variety of formats.

Corrections Education

TVCC also provides educational programming for incarcerated students at five (5) different corrections facilities in the state of Oregon, each of which have their own TVCC corrections education staff and faculty. Corrections education opportunities include Adult Basic Education courses, Building and Construction Technology courses, and transfer degree courses (such as math, lab sciences, and English Composition). Below are the correctional institutions at which TVCC offers educational programming:

- Eastern Oregon Correctional Institution (Burns)
- Powder River Correctional Facility (Baker City)
- Snake River Correctional Institution (Ontario)
- Two Rivers Correctional Institution (Umatilla)
- Warner Creek Correctional Facility (Lakeview)
